FARRIS being an old practical Builder and Manufacturer in Memphis for over twenty-five years, is fully posted as to all the wants of builders, and the means to supply a full stock of raw materials being furnished by our MR. WOOLDRIDGE; and owning and operating more machinery than any other establishment in the southwest, keeping fully up in all the new and improved machinery of the age, and keeping none but first-class men in our employ, we challenge competition in our lines from anywhere, workmanship considered. Therefore, we throw our banner to the breeze, with the cry of Excelior.  
 Respectfully,  
 FARRIS & WOOLDRIDGE.
